MAGIC FOR DENTISTS

The SmiloShine® Teeth Whitening Gel Pen offers a quick, effective solution for your patients to achieve a brighter smile in just minutes.

With its powerful 5.8% Peroxide formula, it's perfect for in-office touch-ups or at-home use, providing safe, visible results without hassle. Your patients will love the convenience and instant confidence boost!

AVAILABLE FOR PROFESSIONAL DENTISTS ONLY.

MOST EFFECTIVE STRIPS

Introducing SmiloShine® Professional Teeth Whitening Strips - a safe, effective, and peroxide-free whitening solution for dental professionals.

With a unique Sodium Chlorite formula and menthol flavor, these strips whiten teeth by 4-5 shades without causing sensitivity, offering a refreshing and gentle experience.

FDCA approved and designed for maximum results, they're the perfect choice for enhancing your patients' smiles with ease and comfort.

AVAILABLE FOR PROFESSIONAL DENTISTS ONLY.
